Carton size (mm)	505×255×240	500×170×150	475×170×150

WHY THIS MODEL

Bevelling where the tile stands

For fitted walls, finished floors and stair nosings a bench machine cannot reach.

Frame sets the angle

The frame holds the grinder at a fixed angle, so the bevel stays consistent along the run.

Three ways to buy it

Complete stone-wheel machine, grinder version, or frame alone for a grinder the customer owns.

CARTON CONTENTS & SERVICE

In every carton	Oil can, tool set (hex key + open-end wrench), screws and nuts, 2 spare scoring wheels
Spare parts	One scoring wheel and one spares kit shared across every machine line
Packaging	Individual packing as standard. Own-brand carton, customer-supplied packaging and foreign-language print from 200 units per model.
Loading data	Carton dimensions and gross weights above. Send your model mix for a loading plan.
