Net weight	11.58 kg	13.22 kg	14.86 kg
Gross weight	12.50 kg	14.30 kg	16.10 kg
Carton size (mm)	1050×125×220	1250×125×220	1450×125×220

WHY THIS MODEL

Corrosion resistance

The electroplated body suits humid and coastal markets where a plain steel machine rusts in the warehouse.

Same platform as TC-S

Identical weights and carton dimensions at the same length, so one packing plan covers both models.

Retail presentation

A finish customers pick up first — the easiest step-up in the range to sell.

CARTON CONTENTS & SERVICE

In every carton	Oil can, tool set (hex key + open-end wrench), screws and nuts, 2 spare scoring wheels
Spare parts	One scoring wheel and one spares kit shared across every machine line
Packaging	Individual packing as standard. Own-brand carton, customer-supplied packaging and foreign-language print from 200 units per model.
Loading data	Carton dimensions and gross weights above. Send your model mix for a loading plan.
