Carton size (mm)	850×125×220	1050×125×220	1250×125×220	1450×125×220

WHY THIS MODEL

Solid steel rail

A solid rail does not flex mid-score, which is the usual cause of chipping on large-format tile.

Carbide scoring wheel

Shares the same wheel as every other model in the range — one spares line covers the shelf.

Four lengths

0.6, 0.8, 1.0 and 1.2 m. The 1.2 m machine is the volume model in most residential markets.

CARTON CONTENTS & SERVICE

In every carton	Oil can, tool set (hex key + open-end wrench), screws and nuts, 2 spare scoring wheels
Spare parts	One scoring wheel and one spares kit shared across every machine line
Packaging	Individual packing as standard. Own-brand carton, customer-supplied packaging and foreign-language print from 200 units per model.
Loading data	Carton dimensions and gross weights above. Send your model mix for a loading plan.
